Voice talents – Programming Assistant – Part-time
Application dates: 11/12/2018-12/31/2018

WORQ in De Pere, WI is accepting resumes for possible part-time openings in our broadcast department.

The ideal candidate must have a servant's heart, someone who views their position at WORQ as a ministry, not just a job. A personal relationship with Jesus Christ and the desire to serve Him are essential requirements. This person must be self-motivated and creative with the ability to multitask and work closely and biblically obedient with other staff, volunteers, donors, listeners and WORQ leadership as required. This person will be responsible for overseeing the development and maintenance of the WORQ daily radio production duties, occasional social media posts, fundraising and part-time on-air pre-recorded plus occasional live announcing. Experience in professional radio broadcasting, social media, IMediaTouch and Adobe Audition software, Axia console equipment, non-profit organizations, Natural Music and Natural Log scheduling software, working with industry vendors, Microsoft Office and live appearances at events is an advantage. The ideal candidate will have exceptional organizational skills and be able to assist organizing and have hands-on participation at ministry events and outreaches as needed. An added plus will be excellent oral and reading skills and the ability to communicate clearly and compellingly with others.

Lakeshore Communications, Inc is a religious, nonprofit organization operating 3 radio signals and online. WORQ-FM is an Equal Opportunity employer. Women and minorities are encouraged to apply. Please send hard copy resumes and audio samples of on-air work and related production samples in mp3 format on flash drive or labeled compact disc to:
