

Our tracts are easy to print, cut, fold, and share!

TO PRINT: Set to FIT, PRINT ON BOTH SIDES, FLIP ON LONG EDGE, AUTO PORTRAIT (IF AVAILABLE)

After sheets are printed, Length-wise cut each sheet in half. After you separate the halves, take the right flap side and fold it a third of the way, then fold over the left side flap on top. That's it! Any questions, email [Crash@q90fm.com](mailto:Crash@q90fm.com)
